A SUFFRAGIST'S GUIDE TO THE ANTARCTIC

Yi Shun Lai

Clara Ketterling-Dunbar lies about her age and her citizenship to land herself a coveted spot on an Antarctic expedition with an eccentric British expedition leader. But when the ship on which the expedition's success depends sinks and the crew is marooned on an ice floe, Clara must prove that a woman is capable of being more than just a publicity stunt. Told through Clara's diary, *A SUFFRAGIST'S GUIDE TO THE ANTARCTIC* leans on the author's obsession with Ernest Shackleton's 1914 Trans-Atlantic Expedition.

"Two days since the sinking of *The Resolute*, and already there is the frisson of panic among our crew, only barely masqueraded by light boredom. The Boss says we must wait until some leads open up for our lifeboats to make a move, but all around there is nothing but solid ice, interrupted by more ice: ridges, hummocks, and hillocks. . . Never was a wide-open space so terrifying."

When aspiring F1 driver JoJo moves to a small southern town following a family tragedy, the last thing she expects is to meet (and fall for) amateur motocross racer El. After their lives collide, they team up to find El's big sister, who's been out of contact with the family for months. The girls must navigate the local street racing scene, pull off a heist, and find a way forward through their own kinds of grief.

In August of 2021, Becca tweeted a MSWL for “an f/f car heist adventure-romance novel.” Jamie and Becca only really knew each other and of each other’s work through social media, but the tweet made Jamie bold. She slid into Becca’s DM’s that same night with this message: “Ok. But seriously if you don't get this book in your inbox. When you have some time and if you want I will totally co-write this with you....” And so a friendship and the seeds of FURIOUS were born.
