THE SCOURGE BETWEEN STARS

Ness Brown

THE SCOURGE BETWEEN STARS is a tense, claustrophobic sci-fi/horror blend set aboard a doomed generation ship harboring something terrible within its walls.

“A perfect scare to swallow up in one sitting. Filled with blood galore while holding tender humanity at its center, this is my favorite type of horror.” —*Chloe Gong*, #1 New York Times bestselling author of *These Violent Delights*

“Highly recommended for readers who like their science-fictional thrills to be both real and out of this world at the same time.” - *Library Journal*, starred review

“A perfect blend of science fiction and horror...Short, fast, engaging, wildly entertaining, and unexpectedly gory, it almost demands to be devoured in one sitting.” - *Locus*

The claustrophobic, locked-in environment of a generation ship makes an ideal setting for this tense, gory, and genuinely creepy novella. Brown handles the astronomy and exobiology equally as competently as the interpersonal dynamics and trauma. The result is a sci-fi horror mash-up that holds its own with the classics of the genre. - *Publisher's Weekly*

The FOREVER SEA Series

Joshua Phillip Johnson

TALES OF THE FOREVER SEA is environmental epic fantasy series in which you'll find: a water war simmering below the surface of two cultures; the politics of a mythic pirate city floating beyond the edges of safe seas; battles against beasts of the deep, driven to the brink of madness; and the elusive promise of a world below the waves.

"In this rich and well-realized world, magic has an ecological price as well as profit, and conflicts are between equally complicated communities rather than simplistic good vs. evil. The ending of this excellent debut promises more adventures in its fragile, Miyazaki-esque world." —*Booklist* starred review

"A tender and tenacious art-heist story wrapped around an intimate cultural history of extraction, *Portrait of a Thief* is a novel that names the unsutured wounds left by the violence of immigration, xenophobia, and diasporic longing in the lives of its Asian American characters, a story of the comradery of resistance and a testament to righteous grievance." —*Vulture*

THESE DEATHLESS SHORES is a richly imagined, gender-bent retelling of Captain Hook's origin story set in a world reminiscent of Southeast Asia, perfect for fans of JADE CITY and dark fairytales. In this propulsive and twisty debut, the Lost Boys are all grown up, and they want revenge.

Jordan was once a Lost Boy, convinced she would never grow up. Now, she's twenty-two and exiled to the real world, still suffering withdrawal from the addictive magic Dust of her childhood. With nothing left to lose, Jordan returns to the Island and its stories—of pirates and war and the cruelty of youth—intent on facing Peter one last time, on her own terms.

If that makes her the villain... so be it.
